

The perfect companion for people on the go

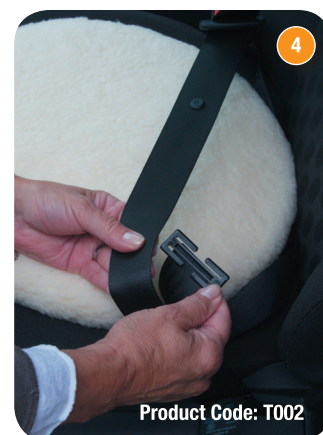

Its smooth turning action helps to minimise the 'twisting' movement which can be required in certain movements between sitting to standing, and the subsequent strain on the lower back.

- British made
- Lifetime guarantee on turntable
- ABS plastic turntable, suitable for commercial cleaning
- Washable & flame retardant fleece top cover
- Replaceable covers available
- Supplied with detachable safety harness for use in car
- Max user weight 190 KG (30 stone)
